

# Proposed Uxbridge Urban Provincial Park PLANNING

## Boundary Creation Process

- **Confirm the sites meet the criteria** for inclusion in Ontario's protected areas system.
- **Complete ecological analysis** to confirm the lands are good candidates for a provincial park.
- **Confirm sites support a range of recreational uses**
- **Conduct public and Indigenous consultation** on regulation amendment proposal to create the park.

### WE ARE HERE

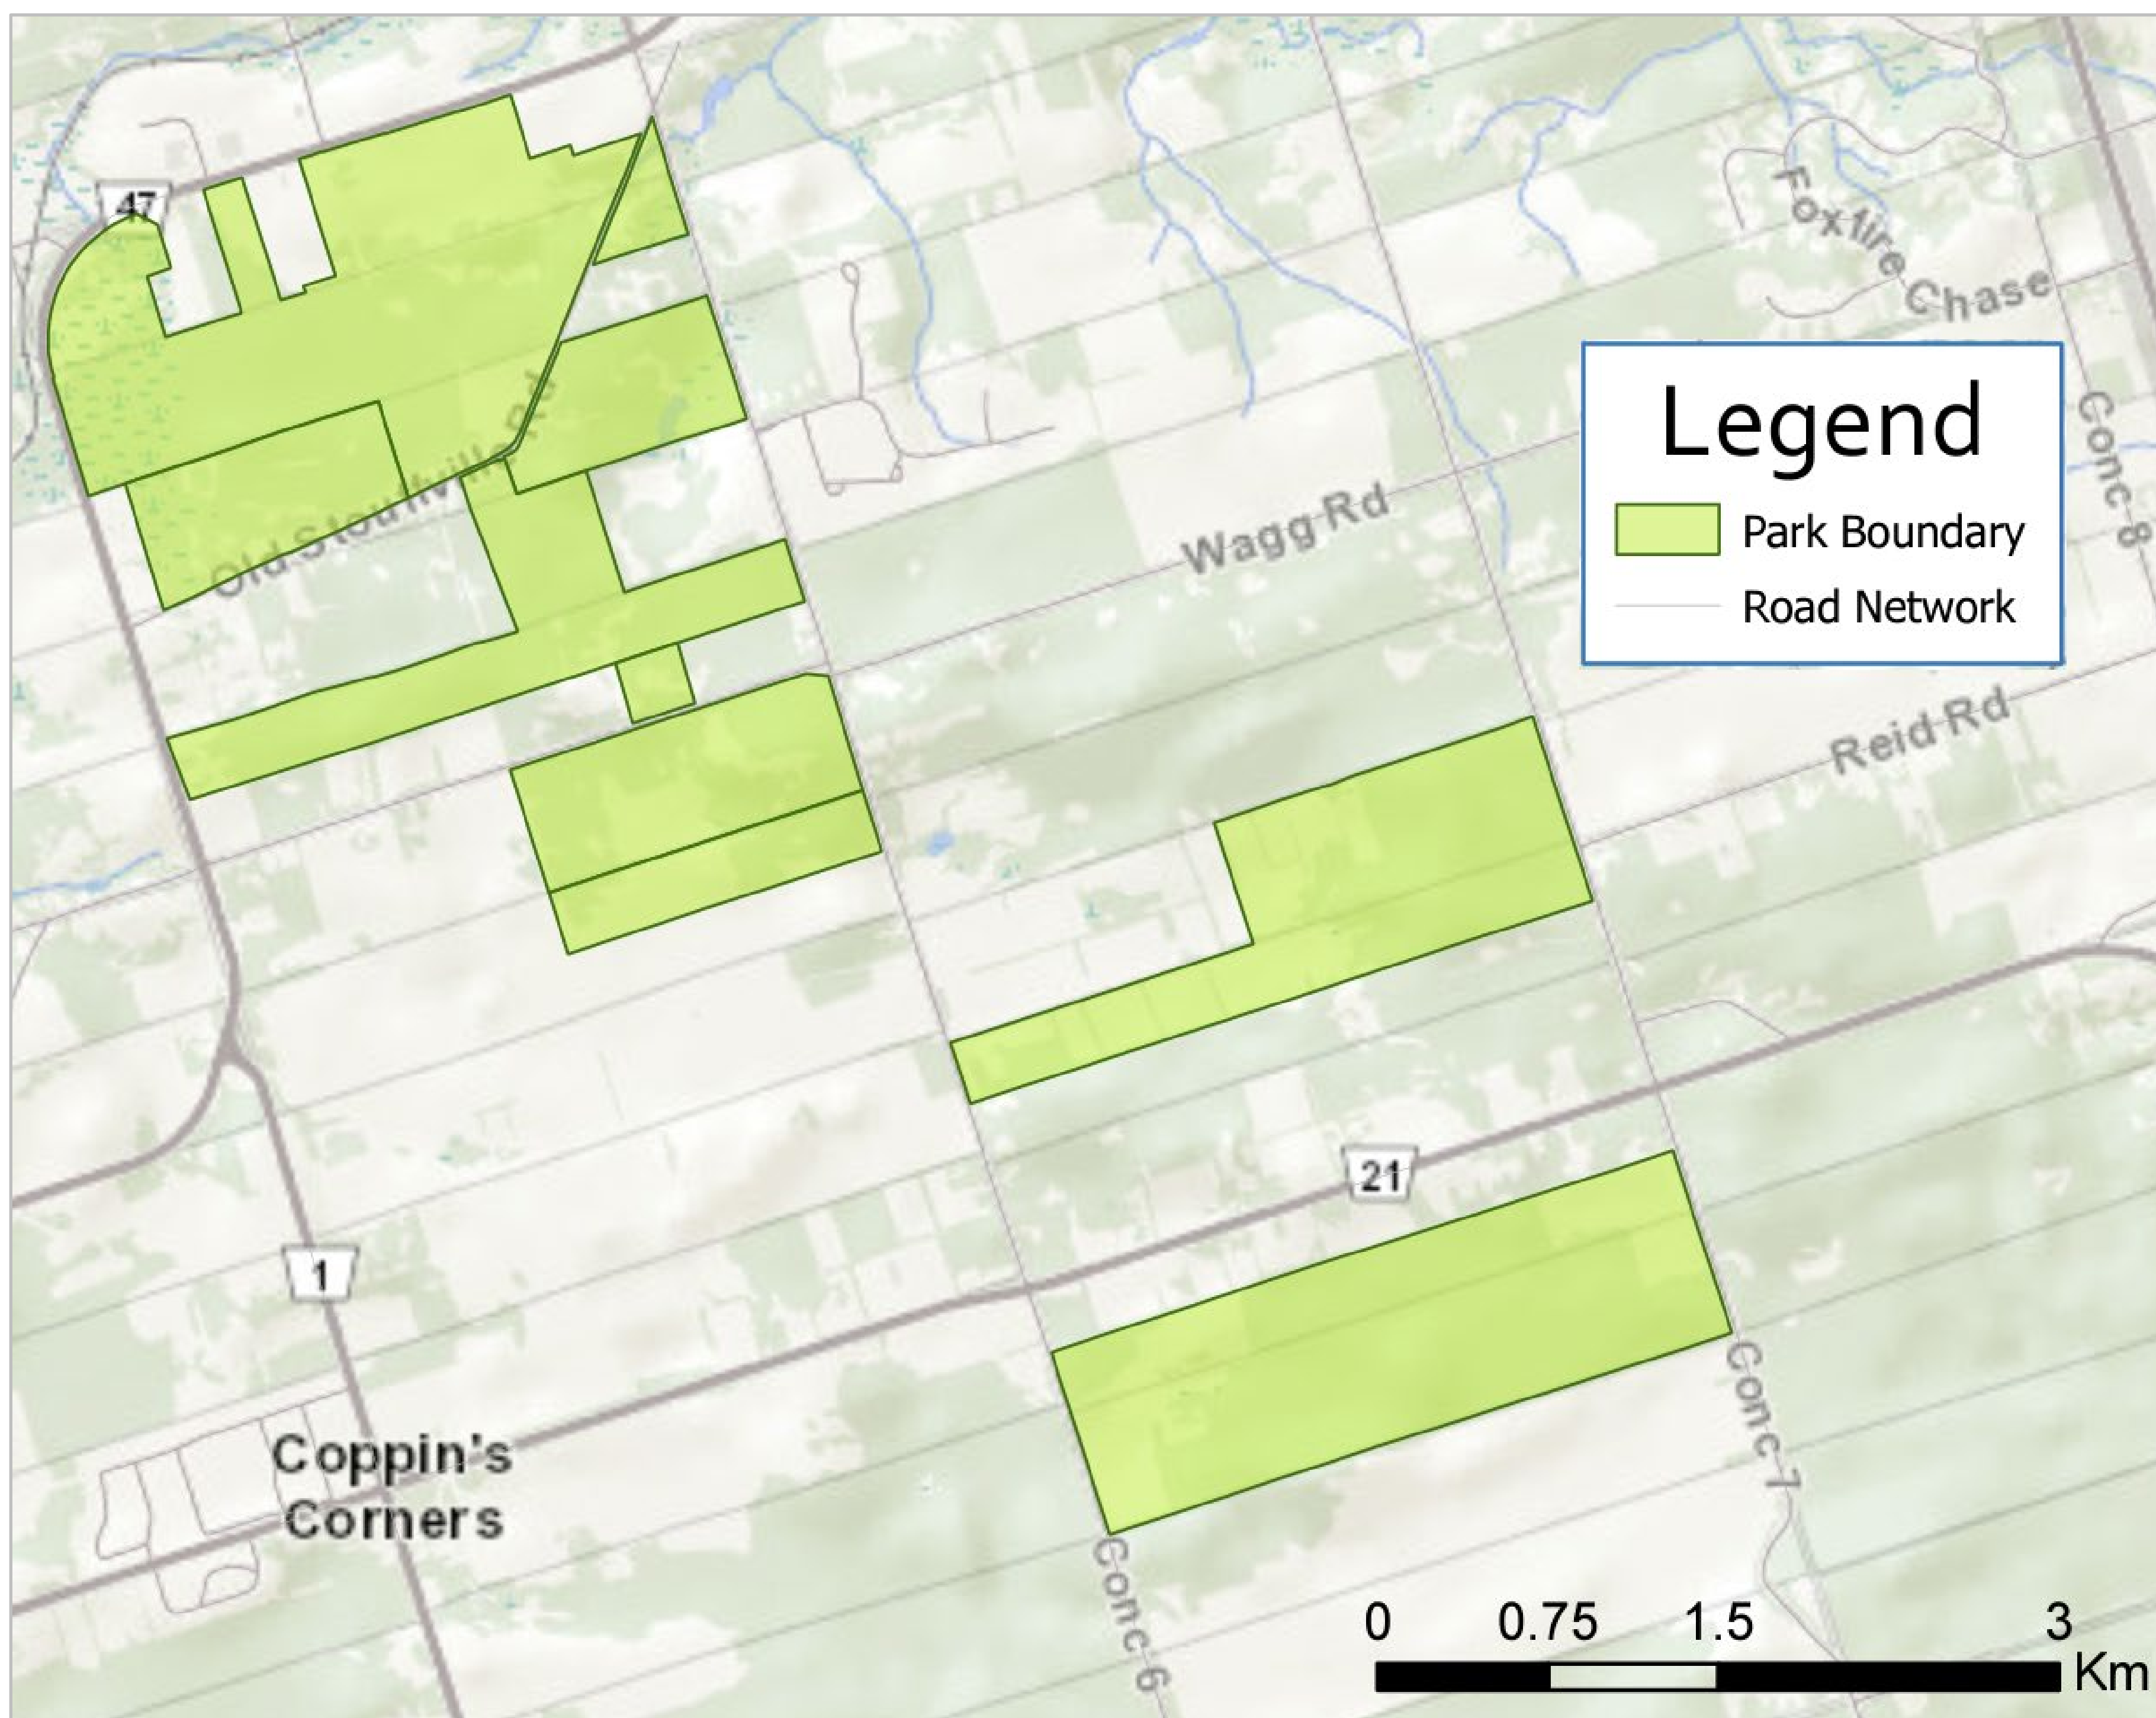

\* Boundary Package includes Indigenous and public consultation summary, legal description of boundary, confirmation that legal requirements have been met (e.g., Environmental Bill of Rights), confirmation that requirements of other ministries have been met (e.g., Regulatory Impact Analysis).

**NEXT STEPS**, if regulated → **Park Management Planning**
