

## Notice of Opportunity to Provide Input on a Category B Project

### ***Class Environmental Assessment for Activities of the Ministry of Energy and Mines under the Mining Act***

#### **White Hills Anorthosite Project**

The Ministry of Energy and Mines (MEM) invites you to comment on the White Hills Anorthosite Bulk Sampling Project. It is located approximately 32 kilometers northeast of the town of Parry Sound, in the Township of Hagerman, District of Parry Sound, Southern Ontario. The project location is provided below on Figure 1. The proposed work program for the White Hills Anorthosite project would be a trenching for the purpose of a bulk sampling program. The bulk sample would be less than 1000 tonnes and will not qualify as advanced exploration. The site of the project is a rock outcrop that is accessible by vehicles along pre-existing roads and trails.

This proposed Category B project is being carried out in accordance with the Class Environmental Assessment for Activities of the Ministry of Energy and Mines under the Mining Act (Class EA).

You are invited to provide input and express any concerns about this proposed project. Comments must be received by **August 2, 2025**. For more information, or to submit comments on the project, please contact:
