As requested in an email dated September 24, 2025 from Project Technical Contact, Peter Piersol of BCX Environmental Consulting, your application is considered withdrawn and the above-noted file is now closed.

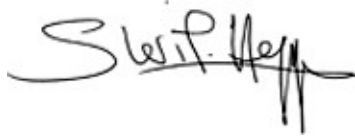

The submitted application fee will be refunded shortly in the amount of \$6,000.00 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension, replacement or change of use of a waste disposal site, including change of the type of waste handled at an approved site.

If you have any questions regarding the above, please contact Abdul Quyum, Senior Waste Engineer at (289) 659-1124.
