Date of Notice: December 31, 2025
Last Date of Appeal: January 20, 2025

The Minister's conditions to the granting of consent for this transaction **which must be fulfilled within two years from the date of this letter** are set out below. These conditions must be fulfilled prior to the granting of consent.

Conditions

1. That this approval applies to the creation of one new lot 33.55 hectares in size, which is currently vacant but proposed for resource-based recreational use.
2. That the following documents be provided for the transaction described in Condition 1:
 - a. A copy of the application to transfer documents;
 - b. A schedule to application to transfer on which is set out the entire legal description of the parcel(s) in question. This Schedule must also contain the names of the parties indicated on application to transfer;
 - c. A reference plan of survey, which bears the Land Registry Office registration number and signature as evidence of its deposit therein, illustrating the parcel(s) to which the consent approval relates; and/or a legal description of the lands to be severed (and retained if requested) which is acceptable to the land registrar.
3. That prior to final approval, and pursuant to subsections 53(12) and 51(25) and 51(26) or (27) of the Planning Act, the applicants shall enter into a Consent Agreement for the new lot with the Ministry of Municipal Affairs and Housing (MMAH), to its satisfaction, addressing the use and potential development of the new lot, including:
 - a. That the proposed severed lot, see appendix A, can only be used for resource-based recreational purposes (including a resource-based recreational dwelling) and is not to be used for permanent residential use;
 - b. Prior to any development, site alteration or ground disturbing activities, an archaeological assessment shall be completed by an archaeologist licensed under the Ontario Heritage Act, and related archaeological reporting shall

- c. Provisions to obtain undertakings from the applicant and/or the applicants' lawyer to implement conditions and requirements, including that the Consent Agreement be registered on title in priority to other documents; and
 - d. Provisions relating to the enforcement of the Consent Agreement.
4. That prior to final approval, the applicant is to provide written confirmation from a licensed well driller that adequate potable water (including appropriate treatment option(s) to make the water aesthetically suitable for human consumption) and pumping capacity is available on the proposed new lot in accordance with [Regulation 903 – Wells, under the Ontario Water Resources Act](#) and the [D-5-5 Private Wells-Water Supply Assessment](#).
5. Ministry is to be advised in writing by the transferor that the Offer of Purchase and Sale agreement, or alternatively an acknowledgement by the transferor and transferees if the transaction is between family members, contains the following clause:
- a. Wells used as drinking water sources must be constructed in accordance with Regulation 903 – Wells, under the Ontario Water Resources Act.
 - b. Small private sewage disposal facilities which have a daily sewage flow of 10,000 litres or less per day must be certified by the Northwestern Health Unit. Large private sewage disposal facilities which have a daily sewage flow of >10,000 litres, or communal systems, must be approved by the Ministry of the Environment, Conservation and Parks. The Northwestern Health Unit should be contacted for information on the proper installation and operation of Class IV septic systems and Class 1 (pit privy) sewage systems.
 - c. Domestic waste must be appropriately handled and disposed of at an approved waste disposal facility
