Dear Armand Reale:

In accordance with the email request from Peter Donahue, Director, Clean Soils Service Ltd., sent to Abdul Quyum, P.Eng. on February 19, 2026, your application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$3,600.00. As the non-refundable \$200 administrative processing fee was already deducted when the Air and Noise ECA application was cancelled, no additional administrative fee is being charged

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension, replacement or change of use of a waste disposal site, including change of the type of waste handled at an approved site.

If you have any questions regarding the above, please contact Abdul Quyum, Senior Waste Engineer at (289) 659-1124.

Yours truly,

Mohsen Keyvani, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
