

Notice of Opportunity to Provide Input on a Category B Project

Class Environmental Assessment for Activities of the Ministry of Energy and Mines under the Mining Act

Methuen Township Marble Bulk Sample Project

The Ministry of Energy and Mines (MEM) invites you to comment on the Methuen Township Marble Bulk Sample Project, It is located approximately 8.6 km southeast of Apsley, ON, in the Township of Methuen, District of Peterborough, Southern Ontario. The project location is provided below on Figure 1. The proposed work consists of stripping and drilling for the purpose of a bulk sampling program. The bulk sample would be less than 950 tonnes and will not qualify as advanced exploration. The site of the project consists of shallow overburden to access the rock outcrop and is accessible by vehicles along pre-existing roads and minor trail development to the site.

This proposed Category B project is being carried out in accordance with the Class Environmental Assessment for Activities of the Ministry of Energy and Mines under the Mining Act (Class EA).

You are invited to provide input and express any concerns about this proposed project. Comments must be received by **April 26, 2026**. For more information, or to submit comments on the project, please contact:
