As requested in an email dated April 10, 2026, received from Anne Egan of R.J. Burnside & Associates Limited on your behalf, Fergus Land Holding Ltd. wishes to formally withdraw this Environmental Compliance Approval (ECA) application due to proposed changes to the development plans and the servicing solution. Based on this request, the application is considered withdrawn, and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$3,000 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200 and the additional cost incurred by the Ministry in the review of your application to date assessed to be \$5,000.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

Yours truly,

Fariha Pannu.
