Attached is the Record of Engagement documenting communications between Mishkeegogamang First Nation (MFN) and XXIX Metal Corp. (formerly Cuprum Corp.). On September 23, 2025, we submitted the drilling-permit package to MFN for consultation and met with land custodians; to date, no concerns (“red flags”) have been raised. We will continue engagement—including an MFN Environmental Monitor and a pre-disturbance walkover—and will modify or pause activities promptly if community feedback identifies sensitive areas.
