Dear David Bauman:

**Re: Application for Approval
SWM Facility to serve Hopeville, ON
Southgate Township, County of Grey
Reference Number 6160-DCRPNB**

This is to advise you that the ministry has not received a response to our request for additional information dated June 20, 2025.

The submitted application indicated that it was for Stormwater Management for a site of more than 30 ha. Later, it was indicated that the application would be for industrial wastewater treatment and a report on solids settlement will be provided. Ministry Senior Wastewater Engineer Mohammed Nizamuddin, has made several attempts to get information by calling; however has not received any information. As such, the ministry is unable to keep an incomplete application open, and your application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$2000.00 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200.

If you wish to pursue your revised proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee for Industrial Sewage Treatment and solids disposal.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

If you have any questions regarding the above, please contact Mohammed Nizamuddin, Senior Wastewater Engineer at (416) 414-2942.

Yours truly,

A handwritten signature in black ink that reads "Fariha Pannu." The signature is written in a cursive style with a large, sweeping loop over the first part of the name.

Fariha Pannu, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
