You are hereby notified that this environmental compliance approval is issued to you subject to the terms and conditions outlined below:

TERMS AND CONDITIONS

GENERAL

1.0 Compliance

- 1.1 The Owner shall ensure compliance with all the conditions of this Approval, and shall ensure that any person authorized to carry out work on or operate any aspect of the Site is notified of this Approval and the conditions herein, and shall take all reasonable measures to ensure any such person complies with the same.
- 1.2 Any person authorized to carry out work on, or operate any aspect of, the Site shall comply with the conditions of this Approval.
- 1.3 The Site shall be operated and maintained at all times in accordance with the EPA, Regulation 347 and the conditions of this Approval. At no time shall the discharge of a contaminant that causes or is likely to cause an adverse effect be permitted.

2.0 Design, Develop, Build, Operate, Modify and Maintain in Accordance

- 2.1 Except as otherwise provided for in this Approval, the Site shall be designed, developed, built, operated, modified and maintained in accordance with this Approval, the Environmental Compliance Approval application dated July 4, 2019 and the other supporting documentation listed in Schedule "A".
- 2.2 (a) Construction and installation of aspects described in Schedule "A" must be completed within 5 years of the later of:
 - 1. the date this Approval is issued; or
 - 2. if there is a hearing or other litigation in respect of the issuance of this Approval, the date that this hearing or litigation is disposed of, including all appeals.
- (b) This Approval ceases to apply in respect of the aspects of the Site noted above that have not been constructed or installed before the later of the dates identified in Condition 2.2(a).

3.0 Interpretation

- 3.1 Where there is a conflict between a provision of any document, including the application, referred to in this Approval and the conditions of this Approval, the conditions in this Approval shall take precedence.
- 3.2 Where there is a conflict between the application and a provision in any documents listed in Schedule "A", the application shall take precedence, unless it is clear that the purpose of the document was to amend the application and that the Ministry approved the amendment.
- 3.3 Where there is a conflict between any two documents listed in Schedule "A", other than the application, the document bearing the most recent date shall take precedence.

- 3.4 The requirements of this Approval are severable. If any requirement of this Approval, or the application of any requirement of this Approval to any circumstance, is held invalid or unenforceable, the application of such requirement to other circumstances and the remainder of this Approval shall not be affected thereby.

4.0 Other Legal Obligations

- 4.1 The issuance of, and compliance with, this Approval does not:
- (a) relieve any person of any obligation to comply with any provision of any applicable statute, regulation or other legal requirement including, but not limited to:
 - (i) obtaining site plan approval from the local municipal authority;
 - (ii) obtaining all necessary building permits from the local municipal authority Building Services Division;
 - (ii) obtaining approval from the Chief Fire Prevention Officer, local municipal authority: or
 - (b) limit in any way the authority of the Ministry to require certain steps be taken or to require the Owner to furnish any further information related to compliance with this Approval.

5.0 Adverse Effect

- 5.1 The Owner shall take steps to minimize and ameliorate any adverse effect on the natural environment or impairment of water quality resulting from the Site, including such accelerated or additional monitoring as may be necessary to determine the nature and extent of the effect or impairment.
- 5.2 Despite an Owner, Operator or any other person fulfilling any obligations imposed by this Approval the Owner, Operator or any other person remains responsible for any contravention of any other condition of this Approval or any applicable statute, regulation, or other legal requirement resulting from any act or omission that caused the adverse effect to the natural environment or impairment of water quality.

6.0 Change of Owner

- 6.1 The Owner shall notify the Director in writing, and forward a copy of the notification to the District Manager, within thirty (30) days of the occurrence of any changes:
- (a) the ownership of the Site;
 - (b) the appointment of, or change in, the Operator of the Site;
 - (e) the address of the Owner or Operator;
 - (f) the partners, where the Owner is or at any time becomes a partnership and a copy of the most recent declaration filed under the Business Names Act, R.S.O. 1990, c. B-17 shall be included in the notification; and
 - (g) the name of the corporation where the Owner is or at any time becomes a corporation, other than a municipal corporation, and a copy of the most current information filed under the Corporations Information Act, R.S.O. 1990, c. C-39 shall be included in the notification.

- 6.2 No portion of this Site shall be transferred or encumbered prior to or after closing of the Site unless the Director is notified in advance and sufficient financial assurance is deposited with the Ministry to ensure that these conditions will be carried out.
- 6.3 In the event of any change in ownership of the Site, other than change to a successor municipality, the Owner shall notify the successor of and provide the successor with a copy of this Approval, and the Owner shall provide a copy of the notification to the District Manager and the Director.

7.0 Inspections

- 7.1 No person shall hinder or obstruct a Provincial Officer from carrying out any and all inspections authorized by the OWRA, the EPA, or the PA, of any place to which this Approval relates, and without limiting the foregoing:
- (a) to enter upon the premises where the approved works are located, or the location where the records required by the conditions of this Approval are kept;
 - (b) to have access to, inspect, and copy any records required to be kept by the conditions of this Approval;
 - (c) to inspect the Site, related equipment and appurtenances;
 - (d) to inspect the practices, procedures, or operations required by the conditions of this Approval; and
 - (e) to sample and monitor for the purposes of assessing compliance with the terms and conditions of this Approval or the EPA, the OWRA or the PA.

8.0 Information and Record Retention

- 8.1 Any information requested, by the Ministry, concerning the Site and its operation under this Approval, including but not limited to any records required to be kept by this Approval shall be provided to the Ministry, upon request, in a timely manner.
- 8.2 The receipt of any information by the Ministry or the failure of the Ministry to prosecute any person or to require any person to take any action, under this Approval or under any statute, regulation or other legal requirement, in relation to the information, shall not be construed as:
- (a) an approval, waiver, or justification by the Ministry of any act or omission of any person that contravenes any term or condition of this Approval or any statute, regulation or other legal requirement; or
 - (b) acceptance by the Ministry of the information's completeness or accuracy.
- 8.3 All records required by the conditions of this Approval must be retained on Site for a minimum period of five (5) years from the date of their creation.
- 8.4 Any information relating to this Approval and contained in Ministry files may be made available to the public in accordance with the provisions of the Freedom of Information and Protection of Privacy Act, R.S.O. 1990, C. F-31.

FINANCIAL ASSURANCE

9.0 Financial Assurance

- 9.1 The Owner shall maintain financial assurance, as defined in Section 131 of the EPA, with the Director in the amount of \$25,042.00. This financial assurance shall be in a form acceptable to the Director and shall provide sufficient funds for the analysis, transportation, Site clean-up, monitoring and disposal of all quantities of waste on the Site at any one time.
- 9.2 Commencing on September 1, 2028, and every five (5) years thereafter, the Owner shall provide to the Director a re-evaluation of the amount of the financial assurance to facilitate the actions required under Condition 9.1. Additional financial assurance, if required, must be submitted to the Director within thirty (30) days of written acceptance of the re-evaluation by the Director.
- 9.3 The amount of financial assurance is subject to review at any time by the Director and may be amended at his/her discretion; and
- 9.4 If any financial assurance is scheduled to expire or notice is received, indicating financial assurance will not be renewed, and satisfactory methods have not been made to replace the financial assurance at least sixty (60) days before the financial assurance terminates, the Owner shall forthwith replace the financial assurance with cash.

SITE OPERATIONS

10.0 Approved Waste Types and Processes

- 10.1 (a) The Site is approved to receive non-hazardous solid waste generated by residential, commercial, industrial and institutional sources, Leaf and Yard Waste, Contaminated Soil and Wood Waste generated within the Provinces of Ontario and Quebec.
- (b) With respect to Contaminated Soil, the Owner shall ensure analyses of representative samples of the waste stream are conducted at an accredited laboratory, to verify that the Contaminated Soil is not liquid waste, hazardous waste, as defined by Regulation 347, prior to acceptance of the Contaminated Soil at the Site.
- 10.2 Processing activities at the Site shall be limited to the storage and sorting of incoming waste using manual labour or mechanical assistance (e.g. excavators and loaders).

11.0 Approved Quantities

- 11.1 The Owner shall ensure that the maximum amount of all waste, as approved under Condition 10.1(a), received at the Site is as follows:
- (a) a maximum of 160 tonnes per day; and
- (b) a maximum of 49,920 tonnes in any one calendar year period.

- 11.2 In the event that waste cannot be transferred from the Site, the Owner shall cease accepting any additional waste and shall ensure the total amount of waste on Site does not exceed the maximum quantities approved under Condition 11.1.

12.0 Hours of Operation

- 12.1 The Site is approved to operate Monday through Saturday between 7:00 a.m. and 5:00 p.m.

13.0 Signage and Security

- 13.1 The Owner shall maintain the Site in a secure manner such that unauthorized person cannot enter the Site when the Site is closed.
- 13.2 The Owner shall ensure that Trained Personnel are on duty at all times when the Site is open to ensure proper supervision of all activities.
- 13.3 The Owner shall erect a sign at the entrance to this Site identifying the name of the Site, the hours of operation, the type of waste accepted and a twenty-four (24) hour telephone number to contact the Owner in the event of an emergency or complaint.

14.0 Waste Handling and Storage

- 14.1 The Owner shall ensure that the maximum amount of all waste, as approved under Condition 10.1(a), present on Site does not exceed 160 tonnes at any one time.
- 14.2 The Owner shall ensure that:
- (a) all waste is received and sorted within the confines of the lined sorting area; and
 - (b) waste segregated for diversion (recycling or reuse) is stored in designated bins within the confines of the lined sorting area; and
 - (c) waste destined for final disposal is compacted in bins and stored within the confines of the lined sorting area before transfer; and
 - (d) Contaminated Soil shall be kept segregated from all other waste; and
 - (e) no waste, including waste destined for recycling, but excluding Leaf and Yard Waste, shall be kept on Site for greater than 30 days; and
 - (f) Leaf and Yard Waste shall be kept on the Site for a maximum of four (4) days.

15.0 Nuisance Control

- 15.1 The Owner shall operate and maintain the Site in a manner which ensures the health and safety of all persons and the protection of the environment through active prevention of any possible environmental adverse effects, including but not be limited to odours, dust, litter, vectors, vermin and noise.

- 15.2 If at any time vectors or vermin are deemed a nuisance by the Provincial Officer, the Owner shall hire a qualified, licensed pest control professional to design and implement a pest control plan for the Site. The pest control measures shall then remain in effect until the Site has been closed and this Approval has been revoked.
- 15.3 The Owner shall maintain the existing vegetative buffer on the perimeter of the Site to control off-site impacts of stormwater runoff.

16.0 Site Inspections and Maintenance

- 16.1 The Owner shall conduct daily inspections of the equipment and facilities at the Site to ensure that all equipment and facilities are in good working condition and operated in a manner that will not negatively impact the environment. Any deficiencies, that might negatively impact the environment detected during these regular inspections shall be promptly corrected.
- 16.2 The Owner shall develop and implement a preventative maintenance program for all equipment associated with the processing and managing of waste and/or processed materials in accordance with equipment manufacturers' recommendations. The preventative maintenance program shall be available on Site for inspection by a Provincial Officer upon request.

17.0 Spills and Emergency Response and Reporting

- 17.1 The Owner shall promptly take all necessary steps to contain and clean up any spills or upsets which result from operations at the Site.
- 17.2 All spills and upsets, as defined by the EPA, shall be immediately reported to the Ministry's Spill Action Centre at 1-800-268-6060.
- 17.3 (a) Prior to the receipt of waste at the Site, the Owner shall have in place an Emergency Response Plan that outlines procedures to be taken in the event of an emergency. The plan shall include, but not be limited to:
- (i) emergency response procedures to be undertaken in the event of a spill or process upset, including specific clean up methods for each individual waste;
 - (ii) a list of contingency equipment and spill clean up materials, including names and telephone numbers of waste management companies available for emergency response;
 - (iii) a notification protocol, with names and telephone numbers of persons to be contacted, including Owner personnel, the Ministry's Spills Action Centre and District Manager, the local fire and police departments, the local municipality, the local Medical Officer of Health, and the Ministry of Labour; and
 - (iv) procedures to be undertaken in the event of environmental adverse effects resulting from, but not limited to, odours, dust, litter, vectors and noise from the Site.
- (b) A copy of the Spill Contingency and Emergency Response Plan shall be kept on the Site at all times, in a prominent location available to all staff. Copies shall be made available to District Manager, local municipality or local fire department upon request.

- (c) The Owner shall review the Spill Contingency and Emergency Response Plan on an annual basis at a minimum, and ensure that the plan is current and accurate.

17.4 The Owner shall ensure that the contingency equipment and materials outlined in the Spill Contingency and Emergency Response Plan are immediately available on the Site at all times, in a good state of repair, and fully operational.

17.5 The Owner shall have in place a written contingency plan which details how waste will be stored or disposed of in the event that it cannot be removed from the Site in the usual manner. If implementation of the contingency plan is necessary, it shall be effected through written concurrence from the District Manager.

18.0 Complaints

18.1 If at any time, the Owner receives complaints regarding the operation of the Site, the Owner shall respond to these complaints according to the following procedure:

- (a) The Owner shall record and number each complaint, either electronically or in a log book, and shall include the following information:
 - (i) the nature of the complaint,
 - (ii) the name, address and the telephone number of the complainant if the complainant will provide this information and
 - (iii) the time and date of the complaint;
- (b) The Owner, upon receipt of the complaint, shall notify the District Manager of the complaint and initiate appropriate steps to determine all possible causes of the complaint, proceed to take the necessary actions to eliminate the cause of the complaint and forward a formal reply to the complainant; and
- (c) The Owner shall complete, and retain at the Site, a report written within one (1) week of the complaint date, listing the actions taken to resolve the complaint and any recommendations for remedial measures, and managerial or operational changes to reasonably avoid the recurrence of similar incidents.

19.0 Training

- 19.1 (a) The Owner shall ensure that employees are trained, and receive annual refresher training, on the operation and management of the Site, or area(s) within the Site, in accordance with the specific job requirements of each individual, employee including but not limited to:

The reasons for the imposition of these terms and conditions are as follows:

The reason for Conditions 1.1, 1.2, 1.3, 4.1, 5.1, 5.2, 8.2 and 8.4 is to clarify the legal rights and responsibilities of the Owner under this Approval.

The reason for Conditions 2.1, 2.2, and 21.1 is to ensure that the Site is designed, operated, monitored and maintained in accordance with the application and supporting documentation submitted by the Owner, and not in a manner which the Director has not been asked to consider.

The reason for Conditions 3.1, 3.2, 3.3 and 3.4 is to clarify how to interpret this Approval in relation to the application and supporting documentation submitted by the Owner.

The reason for Condition 6.1 is to ensure that the Site is operated under the corporate name which appears on the application form submitted for this approval.

The reason for Condition 6.2 is to restrict potential transfer or encumbrance of the Site without the approval of the Director. Any transfer of encumbrance can be made only on the basis that it will not endanger compliance with this Approval.

The reason for Condition 6.3 is to ensure that subsequent owners of the Site are informed of the terms and conditions of this Approval. This also applies to all supporting documentation listed in Schedule "A".

The reason for Conditions 7.1 and 8.1 is to ensure that appropriate Ministry staff have ready access to the Site for inspection of facilities, equipment, practices and operations required by the conditions in this Approval. This condition is supplementary to the powers of entry afforded a Provincial Officer pursuant to the EPA and OWRA.

The reason for Condition 8.3 is to ensure the availability of records and drawings for inspection and information purposes.

The reason for Conditions 9.1, 9.2, 9.3 and 9.4 is to ensure that sufficient funds are available to the Ministry to clean up the Site in the event that the Owner is unable or unwilling to do so.

The reason for Conditions 10.1, 11.1 and 11.2 is to ensure that the types and quantities of waste received at the Site are in accordance with that approved under this Approval.

The reason for Condition 10.2 is to clarify the waste management activities approved for this Site in accordance with the Owner's application and supporting documentation.

The reason for Condition 12.1 is to specify the hours of operation for the Site based on the Owner's application and supporting documentation.

The reason for Condition 13.1 is to ensure that the Site is secure when unattended to prevent vandalism or theft.

The reason for Condition 13.2 is to ensure that the Site is supervised and operated by properly trained staff during the hours of operation.

The reason for Condition 13.3 is to ensure that users of the Site and emergency personnel have the necessary information in the event of an emergency or complaint.

Condition 14.1 is included to ensure that the actual storage capacity of the Site that is covered by the proposed amount of the financial assurance is clearly specified.

Condition 14.2 is included that waste storage is done in a manner and duration which does not result in a nuisance or a hazard to the health and safety of the environment or people.

The reason for Conditions 15.1, 15.2 and 15.3 is to ensure that the Site is operated in a manner which does not result in a nuisance or a hazard to the health and safety of the environment or people.

The reason for Conditions 16.1 and 16.2 is to ensure that all equipment and facilities are maintained in good working order.

The reason for Condition 17.1 is to ensure that the Owner immediately responds to a spill.

The reason for Condition 17.2 is to ensure that the Owner notifies the Ministry forthwith of any spills as required in Part X of the EPA so that appropriate spills response can be determined.

The reason for Conditions 17.3 and 17.4 is to ensure that the Owner is prepared and properly equipped to take action in the event of a spill, fire or other operation upset.

The reason for Condition 17.5 is to ensure that the Owner follows a plan with an organized set of procedures for identifying and responding to unexpected but possible problems at the Site.

The reason for Condition 18.1 is to ensure that complaints are properly and quickly resolved and that complaints and follow-up actions have been documented.

The reason for Conditions 19.1 is to ensure that the Owner's staff are properly trained in the operation of the equipment used at the Site and emergency response procedures.

The reason for Conditions 20.2 and 20.3 is to ensure that accurate waste records are maintained to ensure compliance with the conditions in this Approval, the EPA and its regulations.

The reason for Conditions 20.4, 20.5, 20.6 and 20.7 is to ensure that detailed records of Site inspections are recorded and maintained to demonstrate compliance with this Approval.

The reason for Condition 21.1 is to ensure that records are kept and consolidated for periodic Ministry review to ensure proper functioning of the Site and identify deficiencies.

The reason for Condition 22.1 is to ensure that the Site is closed in accordance with MOECC standards and to protect the health and safety of the environment.

Upon issuance of the environmental compliance approval, I hereby revoke Approval No(s). 4462-AD6P6S issued on May 18, 2023

In accordance with Section 139 of the *Environmental Protection Act*, you may by written notice served upon me, the Ontario Land Tribunal and in accordance with Section 47 of the *Environmental Bill of Rights*, 1993, the Minister of the Environment, Conservation and Parks, within 15 days after receipt of this notice, require a hearing by the Tribunal. The Minister of the Environment, Conservation and Parks will place notice of your appeal on the Environmental Registry. Section 142 of the *Environmental Protection Act* provides that the notice

requiring the hearing ("the Notice") shall state:

- a. The portions of the environmental compliance approval or each term or condition in the environmental compliance approval in respect of which the hearing is required, and;
- b. The grounds on which you intend to rely at the hearing in relation to each portion appealed.
