Dear Delmer Martin:

**Re: Application for Approval
Abattoir Waste Storage Tank Peel Meat Packers
Mapleton Township, County of Wellington
Reference Number 1898-DE7K8S**

This is to advise you that upon further investigation, it was deemed that the storage tank that has been pre-existing and operational since 2002, and is the subject of this ECA Application, does not fall under a Waste Transfer Station and does not need an ECA for the following reasons:

- Only waste generated on-site is disposed of in the tank;
- The waste is removed from the tank and its final disposal is on fields under a NASM plan; and
- The tank is exempt from Part V of the Act and this O.Reg 347 under *Section 3.(1) 2.1*
2.1 Any material that is condemned or derived from a carcass at a registered establishment within the meaning of the Meat Inspection Act (Canada).

The submitted application fee will be refunded shortly in the amount of \$1,100.00.

If you have any questions regarding the above, please contact Christopher Munro, Senior Waste Engineer at (437) 772-8538.

Yours truly,
