Applicant:	**Scott Lockhart**	**Date of Decision: September 25, 2026**
File No.:	**60-C-251536**	**Date of Notice: September 25, 2026**
Municipality/Twp:	**Geographic Township of Pellatt, District of Kenora**	**Last Date of Appeal: October 15, 2026**
Subject Lands:	**PIN 42151-0177; Parcel 41513, Part of Lot 10, Con 4, Unincorporated Township of Pellatt; District of Kenora.**	

The Minister's conditions to the granting of consent for this transaction **which must be fulfilled within two years from the date of this letter** are set out below. These conditions must be fulfilled prior to the granting of consent.

No.	Conditions

1. That this approval applies to permit adding approximately 10m^2 from PIN 42151-0177 to 42151-0178, in the above noted location in the Geographic Township of Pellatt, District of Kenora

2. That the following documents be provided for the transaction described in Condition 1:
    a. A copy of the application to transfer documents;

    b. A schedule to application to transfer on which is set out the entire legal description of the parcel(s) in question. This Schedule must also contain the names of the parties indicated on application to transfer; and

    c. A reference plan of survey, which bears the Land Registry Office registration number and signature as evidence of its deposit therein, illustrating the parcel(s) to which the consent approval relates; and/or a legal description of the lands to be severed which is acceptable to the land registrar.

3. That the application to consolidate the parcels be prepared and an undertaking from the person registering the documents shall be required agreeing to register the consolidations once the land transfers have been registered.

4. That prior to final approval, the respective owners of PIN 42151-0177 and 42151-0178 acquire a valid MTO permit for the shared entrance and provide proof of the valid permit to MMAH. See note #4 for additional details.

5. This Ministry is to be advised in writing by the transferor that the Offer of Purchase and Sale agreement, or alternatively an acknowledgement by the transferor and transferees if the transaction is between family members, contains the following clause:
    a. No assessment has been undertaken for groundwater quality or quantity. Groundwater supplies may not be adequate to support the use of individual private wells, should this source of water be used in future.

b. Should wells be considered as drinking water sources, they must be constructed in accordance with Regulation 903 - Wells, under the Ontario Water Resources Act.

c. Water from any water bodies on or near the lot(s) should not be used for human consumption unless it is disinfected and/or treated to meet the Ontario Drinking Water Quality Standards, as stipulated in O. Reg. 169/03 of the Safe Drinking Water Act.

d. Small private sewage disposal facilities which have a daily sewage flow of 10,000 litres or less per day must be certified by the local Health Unit. Large private sewage disposal facilities which have a daily sewage flow of >10,000 litres, or communal systems, must be approved by the Ministry of the Environment, Conservation and Parks. The local Health Unit should be contacted for information on the proper installation and operation of Class IV septic systems and Class 1 (pit privy) sewage systems.

e. Domestic waste must be appropriately handled and disposed of at an **approved** waste disposal facility.

The following NOTES are for your information:

NOTES:

1. The required Transfer/Deed of Land form and Schedule page shall contain a complete and accurate legal description. The Minister's certificate of consent will be affixed to the completed Schedule page. For this reason, the names of the parties also must be set out on the Schedule page, so that the consent may be properly related to the intended conveyance.

   Inaccuracies or omissions with regard to the legal description in the Transfer/Deed of Land form, the Schedule page or the survey plan will result in the documents being returned without consent.

2. All Buildings, including those in unorganized territories, have been required to comply with the Ontario Building Code since December 31, 1975. At this time in unorganized territory, building permits and the payment of permit fees are not required. Inquiries about the Building Code should be made to:

Buildings and Development Branch
Ministry of Municipal Affairs and Housing
2nd Floor, 777 Bay St.
Toronto, ON M5G 2E5
Telephone: (416) 585-6666
Fax: (416) 585-7531
codeinfo@ontario.ca

3. Approval must be obtained from the local Health Unit for all sewage systems that require a permit, including greywater systems but excluding pit privies. The importation of suitable fill may be required to construct sewage treatment systems to the satisfaction of the Northwestern Health Unit. The Health Unit can also provide information on construction requirements, including minimum distances required between sewage systems and sources of potable water.

4. Clearence of Condition No. 4 is required from the MTO. Permit information and applications can be obtained by contacting Matthew Watts, Corridor Management Officer, at (807) 252-8526 or email Matthew.Watts@ontario.ca Permit information and applications can be found on the ministry web site https://www.hcms.mto.gov.on.ca

5. New wells must be installed in accordance with the requirements of Ontario Regulation 903 (Wells). Water quality and quantity testing should be completed for each new lot in accordance with MECP's "*Technical Guideline for Private Wells*" (1996) and conducted by a qualified professional. If water from test wells exhibit values for health and aesthetic parameters that are above the Ontario Drinking Water Standards, the water must be treated prior to consumption. Upon well installation, a qualified professional should also demonstrate that there is an adequate quantity of groundwater available to meet the requirements of the residence without interference to adjacent properties.

6. If any archaeological resources (artifacts or any other physical evidence of past human use or activity) are found, all alteration must immediately cease on the site and a licensed consultant archaeologist must be engaged to carry out an archaeological assessment in compliance with Section 48(1) of the Ontario Heritage Act prior to any further alteration. Any alterations or soil disturbance to an archaeological site prior to having met the requirements of Section 48(3) of the Ontario Heritage Act is an offence. The Ministry of Citizenship and

Multiculturalism may be contacted for guidance (archaeology@ontario.ca).

The Funeral, Burial and Cremation Services Act, 2002, S.O. 2002, c.33 requires that any person discovering human remains must cease all activities immediately and notify the police or coroner. If the coroner does not suspect foul play in the disposition of the remains, in accordance with Ontario Regulation 30/11 the coroner shall notify the Registrar, Ontario Ministry of Public and Business Service Delivery, which administers provisions of that Act related to burial sites. In situations where human remains are associated with archaeological resources, MCM should also be notified (archaeology@ontario.ca).

7. It is the property owner's responsibility to comply with all applicable requirements of the Species Conservation Act, 2025. Prior to development, property owners are directed to contact the Ministry of the Environment, Conservation and Parks ("MECP") Species at Risk Branch to help determine potential requirements under the Act.

8. It is the applicant's and/or agent's responsibility to fulfill the conditions of consent approval within two years of the date of this letter pursuant to Section 53(41) of the Planning Act. **We will issue no further notice or warning of the expiration of the two-year period.**

   If the conditions to consent approval are not fulfilled within two years of the date of this letter and the applicant is still interested in pursuing the proposal, a new application will be required. All documentation required for final approval should be provided to the Ministry of Municipal Affairs and Housing a minimum of one month prior to the lapsing date.
