Dear Gianni Del Degan:

**Re: Application for Approval
Sewage Works serving Volta Estate Winery at 17495 Loyalist Parkway
Prince Edward County
Reference Number 4141-DF9KM4**

This is to advise you that per the withdrawal request received via email dated June 8, 2026 from Mr. Mustafa Abdullaiev of Hallex Engineering Ltd., this application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$1300.00 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200.

With respect to the stormwater management part of the application, you are responsible for determining if an Environmental Compliance Approval is required. Please note that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

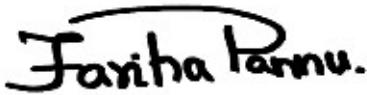

Ministry also has the Environmental Activity and Sector Registry (EASR), an online registry that allows businesses to register certain activities that are well managed by meeting a standard set of requirements or established outcomes. Again, proponents are responsible for determining whether their activities fit within EASR.

Note: to self-register in the EASR you must meet the criteria including, uploading a storm water management report that has been prepared, signed, and sealed by a licensed engineering practitioner

that meet the requirements in [Ontario Regulation 137/25](#). Guidance for self-registering for the storm water management EASR is available on ministry's [Environmental Activity and Sector Registry](#) webpage. Additionally, a My Ontario and ministry account is required for self registration, details are available at the link [how to set up and manage your accounts](#).

If you have any questions regarding the above, please contact Mohammed Nizamuddin, Senior Wastewater Engineer at (416) 414-2942.

Yours truly,

A handwritten signature in black ink that reads "Fariha Pannu." The signature is written in a cursive style with a large, sweeping initial 'F'.

Fariha Pannu, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
