A decision was made on the date noted above to approve, with three modifications, Official Plan Amendment 166 to The London Plan adopted by By-law No. C.P.-1512(fk)-11.

Purpose and Effect of the Official Plan Amendment

Official Plan Amendment 166 expands the Urban Growth Boundary for the City of London by adding approximately 1,476 hectares of developable land for community growth, and 88 hectares for industrial uses, over a 30-year planning horizon from 2024 to 2054. The amendment changes the designation of specific lands in the City of London from “Farmland” or “Rural Neighbourhoods” Place Type to “Future Community Growth” or “Future Industrial Growth” Place Type on Map 1 - Place Types, of The London Plan.

Three modifications to the Official Plan Amendment have been made to ensure consistency with the Provincial Planning Statement, 2024 and to have regard for matters of provincial interest set out in section 2 of the *Planning Act*.
