Re: Environmental Compliance Approval Technical Amendment to Existing ECA Application

Reference Number 1000471458

Dear Shawn Gascon,

As advised by Karina Tapias Valest, Environmental Specialist, H.S.P. Consultants Inc., in an email dated October 27, 2026, your application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of **$3,600.00** which represents the amount submitted reduced by the non-refundable administrative processing fee of $200.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information.

We also emphasize that under section 20.2 of Part II.1 of the *Environmental Protection Act*, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension, replacement or change of use of a waste disposal site, including change of the type of waste handled at an approved site.

Please refer to the Ministry's Guide to Applying for an Environmental Compliance Approval and the Checklist for Technical Requirements for a Complete Environmental Compliance Approval Submission, and Ontario Regulation 255/11 before you consider re-applying.

Should you have any questions please contact Abdul Quyum, P.Eng. at Abdul.Quyum@ontario.ca or 289-659-1124.

Sincerely,

Mohsen Keyvani

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
